2-7694-08	7448				¥ 1,300	024435
2-7694-11	Pad Holder #961					

■ Specification

- Size : Pad Holder #961/82×118mm, Others/150×230mm

■ Applications

Model No.	Applications
Hair line pad	Descaling or Cleaning Steel, Cleaning Concrete.
High pad	Descaling, Stripping Paint, Rough-polishing Stainless Steel or Aluminum Product.
7440	Stripping Oxide Film or Paint, Hair-line Finishing Stainless Steel.
7446	Removing Wood Coating Lints.
7447	Descaling, Cleaning, Smoothing Scratches on Aluminum Product, Rough-polishing before Hair-line Finishing, Paint-coating, or Lamination.
8447	Descaling, Cleaning, and Removing Stubborn Adherents from Cast and Wrought Products.
8448	Finishing after Cleaning PCBs or Nonferrous Metals.
7448	Finishing Name Plates, Finishing before Plating Electronic Components, Frosting Woodwork Paint Surface, Smoothing Scratches on Stainless Steel, Aluminum, or Copper.

Uniwool

Order No.	Particle size	Color	Dimensions	Quantity	JPY	Ref.No
3-1864-02	# 800	Purple	150× 230mm	1 box (10 sheets)	¥ 2,500	024475
3-1864-03	#1500	Green			¥ 2,500	024475
3-1864-04	#3000	Gray			¥ 2,500	024475

■ Feature ● The fine structure of a special fiber compound makes Uniwool perfect for scuffing before coating, or for polishing difficult uneven surfaces, such as the inner side of a door, roof gutters, or front grilles.

■ Specification ● Material: Abrasive particles/CC, base material/unwoven fabric with a special fiber compound

■ Specification ● Material: PA (nylon) (with grinding particles)
● Dimensions: 100×160mm

■ Applications ● Oxidized coating and rust removal ● Scuffing before coating
● Removing burnt deposit from welded parts ● Removing old coating

Sand Magic (BROWN)

Order No.	Model No.	Quantity	JPY	Ref.No
3-1795-01	# 40	1 box (12 sheets)	¥ 2,700	024475
3-1795-02	# 60		¥ 2,700	024475
3-1795-03	# 80		¥ 2,700	024475
3-1795-04	#100		¥ 2,700	024475
3-1795-05	#120		¥ 2,700	024475
3-1795-06	#180		¥ 2,700	024475

■ Feature ● Sand Magic is made of extra thick PA (nylon) unwoven fabric with abrasive particles for polishing, and is suitable for rust or paint that is hard to remove.

Very coarse

Coarse

Grip Sander

Order No.	Model No.	Particle size	Quantity	JPY	Ref.No
3-1797-01	Very coarse	# 80	1 Box	¥ 7,800	024475
3-1797-02	Coarse	#120	(12 Pieces)	¥ 7,800	024475

■ Feature

- This tool is ideal for removing paint or rust.
- The grip makes it safe and easy to use.

■ Specification

- Material: abrasive/PA (nylon) unwoven fabric (with grinding particles), grip /PP (polypropylene)
- Dimensions : 80×140×75mm

■ Applications

- To polishing woodworking materials, sealing and polishing coated surfaces
- To preliminary polishing prior to metallic coating
- To removing coating films
- To removing contamination from FRP and plastic
- To hairline finish and satin finish
- To decorative finish on metal and resin
