1-3012-01 Prescale (Pressure Measurement Film) LLLW

Order No.	1-3012-01
Model No.	LLLW
JAN Code	0000000000000
	JPY: 45,400
	USD: 303.40
Standard price	
	Exchange rate 1USD= 149.64JPY Valid price in Japan
Quantity	1sheet

Features

- Can be measured contact pressure of fastening portion.
- Can be checked pressure distribution of all measurement surface at glance.

Spec

- Model number: LLLW
- Measurement range (MPa): 0.20 - 0.6
- Type: Two Sheet type
- Accuracy: +/-10% or less (in concentration meter measurement)
- Width x length: 270mm x 4m
- Usage: Cut prescale in the desired shape, Combine A Film and C Film, And nip measurement position in them and pressurize to come out.
- RoHS3 (EU)2015/863 Certificates can be issued

▫ Package size : 320×250×125 mm 1.17 kg
