

Corner Castors –Fasten with 2 bolts/special hooks–

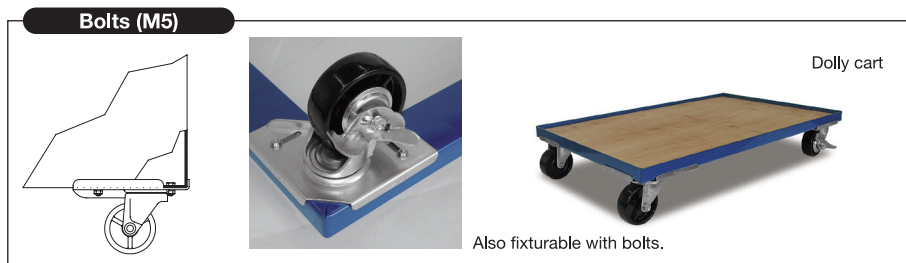

RoHS compliant products.

POINT

- Structure with upstanding sides makes it **easy to place the castor** in the correct position, and helps to fit it firmly in a corner.
- **Easy to fix** just by locating two fastening points.
- Simply fixturable with use of special hooks.
- Special hooks are not included in the castor.

USE EXAMPLE

- For various carriers.
 - For steel furniture and office equipment.
 - For various furniture and interior decoration.
- ©We'll accept your custom-order. Please feel free to contact us.
(Use "Specification Form for Custom-designed castor" at the end of this catalog.)
©Please feel free to ask about the product weight for each item.
